

AREN-Young Generation Workshop: “Professional Development”

3rd October 2017; 14:00-16:00

General Information

The workshop will have Mr Joseph Rosca, as a special guest and invited lecturer with a presentation entitled “How to build a successful career”.

Mr Rosca has a Master’s degree in Business Administration (MBA) with an emphasis in Leadership and is currently Regional Sales Manager at Nuclear Division of Curtiss-Wright, USA. He was also strongly involved in the North American Young Generation in Nuclear (NAYGN).

The workshop will include also open discussions where participants could ask questions, share their successes and failures, and exchange knowledge on the matter of professional development.

Objective of the workshop

The purpose of the workshop is to build collaboration and encourage the Young Generation members to pursue a successful career.

Target participants

The workshop is open but not restricted to all SIEN 2017 registered participants below the age of 35.

Please confirm your participation by sending an email at alina.constantin@nuclear.ro by September 15th.

For any additional information or clarifications, please contact alina.constantin@nuclear.ro
